

Program A: Administration

Program Authorization: R.S. 15:821-840.2 and R.S. 36:401-409

PROGRAM DESCRIPTION

The mission of the Administration Program is to provide leadership, direction, and institutional support in the day-to-day management of the institution, including maintenance of American Correctional Association (ACA) accreditation.

The goals of the Administration Program are:

1. Ensure that the unit operates safely, efficiently, and effectively through management's leadership, adherence to department regulations and procedures, and by meeting ACA standards.
2. Maintain a clean, well-groomed, and attractive environment at the unit that instills pride in both staff and inmates.
3. Effectively manage available resources to ensure maximum utilization and avoidance of budget deficits in accomplishing the unit's goals and objectives.

The Administration Program includes administration and institutional support activities. Administration includes the warden, institution business office, and ACA accreditation reporting efforts. Institutional support includes telephone expenses, utilities, postage, Office of Risk Management insurance, and lease-purchase of equipment. Administration and institutional support comprise approximately 4.5% and 5.8%, respectively, of the total institution budget. The average cost per inmate day is approximately \$30.48.

OBJECTIVES AND PERFORMANCE INDICATORS

Unless otherwise indicated, all objectives are to be accomplished during or by the end of FY 2000-2001. Performance indicators are made up of two parts: name and value. The indicator name describes what is being measured. The indicator value is the numeric value or level achieved within a given measurement period. For budgeting purposes, performance indicator values are shown for the prior fiscal year, the current fiscal year, and alternative funding scenarios (continuation budget level and Executive Budget recommendation level) for the ensuing fiscal year (the fiscal year of the budget document).

The objectives and performance indicators that appear below are associated with program funding in the Base Executive Budget for FY 2000-01. Specific information on program funding is presented in the financial sections that follow performance tables.

1. (KEY) To maintain ACA accreditation standards while continuing to provide services in the most economical, efficient, and effective way possible.

Strategic Link: This operational objective relates to Strategic Goal I: *To ensure that the unit operates safely, efficiently, and effectively.*

¹ This was a new performance indicator for FY 1999-00. It did not appear under Act 19 of 1998 and has no FY 1998-99 performance standard. Prior to FY 1999-00, ACA accreditation was measured as a non-numeric indicator (with a yes/no value). However, since implementation of the Louisiana Performance Accountability System, performance indicators must have numeric values.
